Murray Hill Middle School
Empty Bowls Event

Thursday May 15, 2014 - 5:00 pm -7:00 pm

The Empty Bowls Project is a service learning opportunity for 8th grade students at MHMS. Students have created hand-made ceramic bowls in Art class and prepared food in FACS class as part of this project. On May 15th, we will hold our Empty Bowls Event that will include a meal, artwork and entertainment. For the price of a ticket, attendees will receive a 3-course meal and get a hand-made bowl to take home as a reminder of the empty bowls in our community.

Proceeds will benefit: Grassroots Crisis Intervention Center in Columbia, MD
